

TOT TURF®

COURTSCAPES

Transform your tennis, basketball, or athletic court into a dynamic, multi-use, ITF certified court for a fraction of the cost. CourtScapes can be installed directly over most existing damaged asphalt or concrete courts. It is custom-mixed and hand-applied. There are no limits to design possibilities.

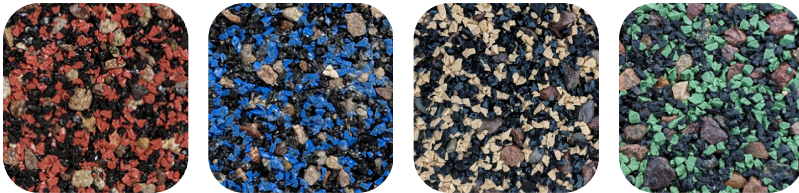

Features

- Firm yet flexible for players
- Rigid texture provides for better slip resistance
- Custom design options to suit court designs from basketball to hopscotch
- Works well in rainy climates due to porous nature
