

PLAYGROUND SPHERES

Rubber playground spheres add fun, movement, and versatility to any play space. Available in three sizes and a variety of colors, they're ideal for climbing, seating, and imaginative play. Made in the USA from recycled rubber for lasting durability.

STANDARD PIGMENTED BUFFINGS

Pigmented using organic powder color coating methods that will not delaminate over time. Sealed with specially formulated polymer agent that bonds pigments into the rubber.

STANDARD EPDM GRANULES

Used to create options from bright solids to special blends for specific color themes.

STANDARD EPDM GRANULES

Used to create options from bright solids to special blends for specific color themes.

Please be advised that actual colors and availability may vary depending on region. All non-standard colors are subject to premium pricing and may require an extended lead time. Request samples for more accurate color matches. Other colors may be available upon request.
