

Pro Play Elite

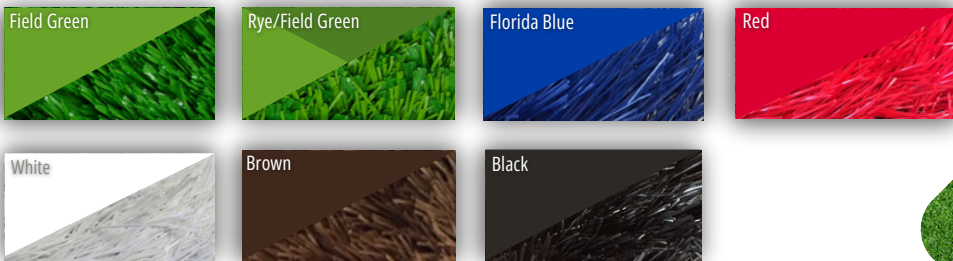

Pro Play Elite by Robertson is a durable, high-performance turf system ideal for playgrounds and outdoor fitness areas. Built with resilient monofilament fibers and a 20oz backing with drainage holes, it offers a safer, long-lasting, and weather-resistant surface. Available in six standard colors with custom options, Elite is designed for endless design options!

Features and Benefits

- **Durable Monofilament Fibers** – Engineered for superior longevity in high-use areas.
- **20oz Backing with Drainage Holes** – Promotes quick drying and slip resistance for all-weather play.
- **Vibrant & Customizable** – Offered in six standard colors with personalized color-matching options.
- **Soft Yet Resilient** – Provides a cushioned feel while maintaining exceptional strength.
- **Low Maintenance & Eco-Friendly** – No need for mowing, watering, or harsh chemicals—just simple upkeep.
- **Nationwide Installation** – Professionally installed with precision for lasting performance.

Color Options
