

Pup Turf Synthetic Grass

Pup Turf by Robertson is the perfect turf solution for pets, offering unmatched comfort, cleanliness, and durability. Designed with anti-microbial protection, excellent drainage, and a dig-resistant build, it helps maintain a fresh, odor-free space for your pets. Soft yet resilient, non-toxic, and hypoallergenic, Pup Turf keeps your furry companions safer, happy, and active.

Features and Benefits

- **Soft & Paw-Friendly** – Cushions metacarpal and plantar pads for lasting comfort all day.
- **Odor & Bacteria Resistant** – Antimicrobial features maintain a cleaner and fresh turf surface.
- **Fast-Draining** – ProFlow™ backing enables quick drying and simple cleanup.
- **Dig-Resistant & Durable** – Sturdy design resists damage from active pets.
- **Non-Toxic & Low Maintenance** – Free from harsh chemicals, safer for pets, and easy to care for.

Applications

- Dog Parks and Dog Runs
- Boarding Facilities
- Veterinary Offices
- Residential Landscapes
- Common Commercial Spaces
